

WEST HIGHLANDS PARK

3 Bedroom / 2.5 Bath / Bonus / 2 Car

Barberry (1285-0 A)

Barberry

The Northwest abounds with the hardy and attractive Barberry shrub. In spring and summer this lovely evergreen sports clusters of yellow flowers which turn into bright red berries come fall and winter. This bush is often used as a barrier or boundary planting. In large landscaped areas, barberries are often grouped together. They also make a sturdy screen on the north side of a home protecting it from winter wind.

Barberry (1285-0 B)
