3 Bedroom / 2.5 Bath / Bonus / 2 Car

Heather (1286-0 A)

## Heather

Heather is beloved by gardeners for its white, pink and varied shades of purple which add cheer and feathery texture to Northwest gardens. The national plant of Norway, heather is more often associated with the rolling hills and golf courses of Scotland. The heather is happy in moorland, peat bog and pine forest, and once settled can become dominant.
